(E) Editorial (F) From the Editors (V) Views From Funding Agencies

(B) Brief Reports (O) Original Articles

### A

Academics, in policy process (E), JS1
Access
  barriers to for HIV patients (O), 1270
  to coronary artery bypass surgery by race and gender (O), 68
  to diabetes health care services (O), 538
  of elderly for influenza and pneumococcal vaccinations (O), 502
  to hospital care in rural areas (O), JS167
  hospital downsizing and (O), JS135
  intensity and quality of depression treatment and (O), 884
  research on (V), 217
  of veterans to cardiac technology (O), 529
Acquired immunodeficiency syndrome (AIDS)
  competing subsistence needs and barriers health care access affecting patients with (O), 1270
  cost analyses of (O), 748
  medical outcomes survey of (O), 908
  multidimensional analysis of health-related quality of life in (O), 249
  organization and outcomes of care units for (O), 760
Activities of Daily Living measurement, in health status monitoring (O), 189
Acute care, hospital use for (O), JS151
Administrative data
  in health services management (O), JS27
  in hospital report cards (O), 295
  in public prevention programs for high-risk populations (O), JS264
Administrative indicators, in posttraumatic stress disorder (O), 180
Admission rates, for acute care (O), JS151
Adolescents, quality of life inventory of (O), 126
Adverse drug reaction reporting system, physician attitudes and (B), 809
African-Americans
  access of to coronary artery bypass surgery (O), 68
  mental health services utilization by (O), 1034
  primary care management of child behavior problems of (O), 1092
Age, use of specialty care and (O), 1186
Aged. See Elderly
Agency for Health Care Policy and Research (AHCPR)
  depression treatment guidelines of (O), 884
  funding and mission of (V), 217
  health care research of (O), MS1
Aging, medical care expenditures and (O), 994
AIDS. See Acquired immunodeficiency syndrome (AIDS)
Alcohol consumption
  among older persons (O), 165
  continuity of care and (O), 547
Alprostadil, health-related quality of life in patients treated with (O), 56
Alternative level of care, use of hospitals for (O), JS151
Alzheimer's disease, health utilities in (O), 27
AMA Physician Masterfile, study of (O), 333
Ambulatory care
  in European National Health Care System (O), 238
  by primary care and internal medicine residents (O), 773
  sensitivity of study conclusions to costs of (O), AS(VA)37
American Public Health Association (APHA), Medical Care Section of origins of (O), 831
  past and future of (O), 837
  progress and retrogression of (O), 833
Americans' Changing Lives survey, on marriage and health service use among women (O), 858
Amifostine, cost effectiveness of (O), AS(Lilly)32
Amyotrophic lateral sclerosis patients, health-related quality of life measures for (O), 15
Analytic models
  for patient decision support intervention (O), 270

Analytic models
  for patient decision support intervention (O), 270

for quality of life analysis in AIDS clinical trial (O), 249
Anticholinergics, use patterns of in schizophrenic patients (B), AS(Lilly)81
Antidepressants
length of therapy with (O), AS(Lilly)20
medication coverage decisions for (O), AS(Lilly)24
use patterns of
in naturalistic setting (O), AS(Lilly)36
in schizophrenic patients (B), AS(Lilly)81
utilization evaluation of, framework for (O), AS(Lilly)67
Antifungal agents, reclassifying as over-the-counter (O), 518
Antihypertensives, monitoring adherence to (O), 846
Antipsychotics
medication coverage decisions for (O), AS(Lilly)24
SF-36 health survey of effectiveness of (O), 678
use patterns of in schizophrenic patients (B), AS(Lilly)81
Appel ALS Rating scale, reliability and validity of (O), 15
Appropriateness of care, clinical guidelines for (O), 785
Arthritis
community-based Spanish-language education program for (B), 957
SF-36 Arthritis-Specific Health Index validity for (O), M(MAY)S51
SF-36 Health Index for
data quality and scaling assumptions in (O), M(MAY)S10
development and cross-validation of (O), M(MAY)S40
severity of (O), M(MAY)S23
summary of (O), M(MAY)S1
Arthroplasty, in hip fracture outcome (O), 285
Assessment methods, of patient health-risk behavior (O), 104
Attitude, health care (O), 409
Automated pharmacy records
in drug adherence monitoring (O), 846
in pediatric chronic disease score (O), 874
Autonomy, in physician job satisfaction (B), 1174

## B

Back pain, recurrence of and care seeking for (O), 157
Bacterial vaccines, in elderly with chronic illness (O), 502
Baltimore epidemiologic catchment area, mental health services utilization in (O), 1034
Behavior problems
race and ethnicity in primary care management of children with (E), 1089
race and ethnicity in primary care management of children with (O), 1092
Behavioral health carve-out, inpatient-related quality indicators for major depression treatment and (O), 1023
Biopsychosocial factors, in fatigue (B), 1078
Body mass index, continuity of care and (O), 547
Breast cancer
age-dependent variations in care of (O), 1057
indices of comorbidity in (O), 339
linked insurance-tumor registry database on (O), 1105
Medicare claims data for (O)(B), 436, 706
Medicare hospital and physician data in assessing incidence of (O), 445
prognostic index for (O), 601
public programs for high-risk populations (O), JS264
Bypass surgery
access to by race and gender (O), 68
community socioeconomic status and survival after (B), 210
physician training and outcome of (O), 93
predicting rehospitalization after (E)(O), 621, 625

## C

CAGE Alcohol Problems Scale, in health status monitoring (O), 189
California
Hospital Outcomes Project, hospital report cards of (O), 295
hospitals' view of report cards in (O), 295
utilization of mental health and substance abuse service among homeless of (O), 306
Canada
comparative study of hospital costs in (O), JS101
impact of cost reduction strategies on hospital staff in (O), 556
policy process in (E), JS1, JS3
provincial health care expenditures in (O), JS60
repatriating care to rural hospitals in (O), JS167

waiting times for surgery in (O), JS187
Canada Health Act, population-based research and (O), JS15
Cancer
improving information on care for (E), 431
incidence of
Medicare claims data in determining (O), 436
Medicare hospital and physician data in assessing (O), 445
linked insurance-tumor registry database on (O), 1105
long-term costs of (O), 1249
Medicare claims data for (O), 436
prevention of, determining costs of (O), 652
registries data in assessing breast cancer incidence (O), 445
screening for, racial and gender variations in use of (B), 712
staging of
Medicare claims data for (B), 706
Medicare claims data in measuring (B), 706
Capitation payments, for prescribed drugs (B), 824
Cardiac procedures, for myocardial infarction in veterans (O), 529
Cardiac Surgery Reporting System, New York (O), 295
Care coordination, high-cost outcomes in (B), 1155
Care location, patient preferences for (B), 204
Care seeking, after acute back pain (O), 157
Career satisfaction, physician (B), 1174
Caregivers, hospital care experience of (O), 33
Carve-outs, behavioral health (O), 1023
Case management, for mentally ill homeless persons (O), 894
Case mix
in Manitoba hospital costs (O), JS101
for psychiatric inpatients (O), 415
Case weights, in hospital cost cutting (O), JS123
Case-control, adverse drug reaction reports in (B), 809
Cataract surgery, measuring overuse of (O), 937
Categorical rating scale, correspondence of with EQ-5D thermometer (O), 671
Centers for Education and Research on Therapeutics (V), 217
Cerebrovascular disorders
DNR orders and (O), 727
patient age and quality of care for (O), 1186
Cervical cancer
prevention, determining costs of (O), 652
public programs for high-risk populations (O), JS264
Charges, for myocardial infarction (O), AS(Lilly)4
Charlson comorbidity adjustment, in Medicare claims (O), 1128
Children
behavior problems, race and ethnicity in primary care management of (E)(O), 1089, 1092
health insurance experiences of (O), MS59
parent and provider characteristics in vaccination status of (O), 44
quality of life inventory of (O), 126
Chronic disease
in children, automated pharmacy data on (O), 874
identifying impending high-cost outcomes of (B), 1155
self-management program for (O), 5
Chronic Disease Score, prescribed drug use and (B), 824
Chronic Heart Failure Questionnaire, in evaluating intra-individual changes in quality of life (O), 469
Chronic illness
influenza and pneumococcal vaccination of elderly with (O), 502
quality of care for in VA versus public health care systems (O), 538
quality of life and in children (O), 126
Chronic obstructive pulmonary disease, quality of care and complications of (O), 140
Circulatory diseases, medical care costs of (O), 994
Claims data
Charlson comorbidity adjustment in analysis of (O), 1128
Medicare, for measuring cancer stage (B), 706
in treatment and outcomes research on depression care (O), AS(Lilly)77
Clinical competence, of primary care and internal medicine residents (O), 773
Clinical data
in evaluating intra-individual changes in quality of life (O), 469
in hospital report cards (O), 295
Clinical practice guidelines
population-based data in development of (O), JS254
statistical methods in developing (O), 785
Clinical trials
for AIDS, quality of life analysis in (O), 249

diabetes quality of life questionnaire in (O), AS(Lilly)45
health-related quality of life measures for amyotrophic lateral sclerosis patients in (O), 15
measuring costs in (O), AS(VA)27
for SF-36 Arthritis-Specific Health Index validity (O), M(MAY)S51
for SF-36 Health Index (O), M(MAY)S10, M(MAY)S23
Cognitive testing, of CAHPS questionnaire (O), MS10
Cohort study
of attitudes toward health care and mortality (O), 409
of recurrence and care seeking after acute back pain (O), 157
Colon cancer
long-term costs of (O), 1249
racial and gender variations in screening for (B), 712
Colorectal neoplasms
long-term costs of (O), 1249
Medicare claims data for (O)(B), 436, 706
Combination treatment, antidepressants in (O), AS(Lilly)20
Communication
assessing somatization among patients with barriers to (O), 637
with public and health care industry (O), JS279
Community socioeconomic status, CABG surgery survival and (B), 210
Community-based patient education, on arthritis (B), 957
Comorbidity
index, in breast cancer survival (O), 601
indices of among breast cancer patients (O), 339
influenza and pneumococcal vaccinations in elderly with (O), 502
information sources and adjustment of (O), 1128
mortality and in coronary artery disease (O), 1226
prognostic index based on (O), 601
Complications, quality of care and (O), 140
Computer, hand-held, in orthopedic outpatient clinic data collection (O), 647
Congestive heart failure
hospital readmissions and quality of care for (O), 490
quality of care by race and gender for (O), 1260
Consensus panels, panel membership and feedback in results of (B), 964
Consumer
perceptions of managed care in nursing homes (O), 375
satisfaction, reporting survey results on (O), MS32
Consumer Assessment of Health Plans Study (CAHPS)
in assessing care of Medicaid recipients (O), MS79
Child (O), MS59
core items of, cognitive testing of (O), MS10
lessons from (O), MS97
psychometric properties of (O), MS22
reporting results of (O), MS32
respondent selection for mail response to (O), MS50
special issues of Medicare managed care beneficiaries (O), MS69
survey of (O), MS1
telephone versus mail responses to (O), MS41
translating into Spanish (O), MS89
Continuity of care
health behaviors and (O), 547
trust in physicians and (O), 510
Continuous Improvement in Cardiac Surgery Program (E), 527
Continuous quality improvement
cost of (B), 1084
measuring patient satisfaction for (O), 1207
Coronary artery bypass grafting
access to by race and gender (O), 68
community socioeconomic status and survival after (B), 210
predicting readmissions after (O), 625
Coronary artery disease, self-rated health and mortality with (O), 1226
Coronary heart disease, intra-individual changes in quality of life with (O), 469
Cost accounting system
for Veterans Affairs Special Program (O), AS(VA)45
VHA (O), AS(VA)1
Cost allocations, in Canadian health care system (O), JS60
Cost analysis
decision support system in (O), AS(VA)63
of HIV care (O), 748
methods of in Veterans Affairs (O), AS(VA)9

sensitivity of study conclusions to (O), AS(VA)37
in Veterans Affairs (O), AS(VA)3
of Veterans Affairs Special Program (O), AS(VA)45
Cost containment
for circulatory disease (O), 994
unintended and unexpected impact of (O), JS123
Cost reduction strategies, impact of on hospital staff (O), 556
Cost-benefit analysis, of cytoprotective agents (O), AS(Lilly)32
Cost-effectiveness analysis
decision support system in (O), AS(VA)63
in depressive illness treatment (O), 479
in determining health care service costs (O), 652
of outpatient geriatric assessment (O), 1199
of strategic hospital alliances (O), 1013
Costs. See also Health care costs; Hospital costs
chronic disease self-management reducing (O), 5
for circulatory disease (O), 994
comparative study of in Manitoba hospitals (O), JS101
of continuous quality improvement (B), 1084
determining (O), 652
escalation of (O), MS1
of family physician versus general internist (O), 78
forecasting high-cost risk status and (B), 815
of health care in Manitoba, Canada (O), JS60
of HIV care (O), 748
of inpatient HIV treatment (O), 220
of inpatient mental health, utilization changes and (O), 457
interprovincial comparisons of (O), JS83
long-term disease specific (O), 1249
measuring in multisite randomized controlled trials (O), AS(VA)27
of medication coverage under Medicaid (O), AS(Lilly)24
of mental health care (E), 434
of prescribed drugs (B), 824
as study outcome (O), AS(VA)37
of Veterans Affairs (O), AS(VA)18
versus non-VA health care (O), AS(VA)54
in workers' compensation managed care pilot project II (O), 982
Counseling, for health habits (O), 738
Cox regression, for post-operative survival (B), 210
Credibility, of pharmacoeconomics research (O), AS(Lilly)12
Cross-cultural comparisons, in assessing somatization (O), 637
Cytoprotective agents, cost effectiveness of (O), AS(Lilly)32

## D

Data
collection, hand-held computers in (O), 647
linkage of in health services research (O), 1105
quality of
in Charlson comorbidity adjustment in Medicare claims (O), 1128
in SF-36 Health Index (O), M(MAY)S10
Databases
linked insurance-tumor registry (O), 1105
on population-based health information (O), JS15
in Veterans Affairs cost analysis (O), AS(VA)3, AS(VA)18
Decision analytic models, for patient support (O), 270
Decision making
in cataract surgery (O), 937
in location of care (B), 204
Decision support system, for Veterans Affairs cost-effectiveness research (O), AS(VA)63
Defined daily dose, population-based analysis of (O), JS42
Delphi survey, panel membership and feedback effects on ratings in (B), 964
Delphi Technique, for alcohol use in older persons (O), 165
Demographics
health care costs and (O), JS83
health care utilization and (E), 3
Depression
behavioral health carve-out effects on treatment of (O), 1023
claims data in treatment and outcome research for (O), AS(Lilly)77
drug utilization evaluation in (O), AS(Lilly)67
geographic accessibility in intensity and quality of treatment for (O), 884
health and values in (O), 479
mortality and in coronary artery disease (O), 1226
use patterns of drugs for (O), AS(Lilly)36
Diabetes mellitus

direct medical charges and (O), AS(Lilly)4
practice guidelines for in rural patients (O), 259
quality of care and complications of (O), 140
quality of care for in VA versus public health care systems (O), 538
quality of life clinical trial questionnaire for (O), AS(Lilly)45
Diagnostic coding, sensitivity of (O), 436
Diagnostic tests, utilization of by race and gender (B), 712
Disability costs, in workers' compensation managed care pilot project II (O), 982
Disappointment, postoperative, preoperative expectations and in lumbar surgery patients (O), 149
Disclosure, of sensitive health-risk behavior (O), 104
Dispensing error, detection rates for in hospital pharmacy (O), 39
DNR orders
death rate and (E), 719
estimating causal effects of (E), 722
increased risk of death in patients with (O), 727
Doctor-patient communication
about medications (B), 1169
health habit counseling in (O), 738
inaccuracies in (B), 1164
patient-centered (B), 1078
Doctor-patient relationship, trust in (O), 510
Downsizing
monitoring impact of on access and quality of care (O), JS135
unintended and unexpected impact of (O), JS123
Drug adherence measures, validation of (O), 846
Drug names, confusion over (O), 1214
Drug prescribing, quality assessment of (O), 1294
Drug reactions, physician attitudes on reporting (B), 809
Drug utilization
evaluation of in depression (O), AS(Lilly)67
multivariate analysis of (O), AS(Lilly)36
by population (O), JS42
Drug-related problems, in depressed patients (O), AS(Lilly)67
Drugs. See also Medications; Prescription drugs
look-alike and sound-alike (O), 1214
prescription to over-the-counter (B), 424
reclassifying as over-the-counter (O), 518
Duke Health Profile, reliability and responsiveness of for health-related quality of life measures (O), 56

## E

Economics
credibility of (O), AS(Lilly)12
of Veterans Affairs health care (O), AS(VA)9, AS(VA)63
Elderly
alcohol use paradigm for (O), 165
analysis of smoking patterns of among (B), 615
cost-effectiveness of outpatient assessment of (O), 1199
Hispanic, physician utilization by (O), 362
influenza and pneumococcal vaccination of (O), 502
monitoring health status and impact of treatment on (O), 189
self-reported use of health services among (O), 662
use of specialty care among (O), 1186
videophones in home health care of (O), 117
Electronic adherence monitoring, for antihypertensive therapy (O), 846
Emergency department
enhanced prenatal care and HIV-focused services and utilization of among pregnant HIV-infected women (O), 1308
residential instability and utilization of among poor urban mothers (O), 1282
Endometrial neoplasms, Medicare claims data for (O)(B), 436, 706
Epidemiology
in assessing breast cancer incidence (O), 445
in drug prescribing quality assessment (O), 1294
factors in breast cancer comorbidities (O), 339
linked insurance-tumor registry database in (O), 1105
of mouth disease (O), 1237
EQ-5D thermometer, correspondence of with 5-point categorical rating scale (O), 671
Erectile dysfunction, health-related quality of life after alprostadil treatment for (O), 56
Error detection, in hospital pharmacy (O), 39
Estrogen replacement therapy, patient decision support for (O), 270
Ethnic groups
assessing somatization among (O), 637

variations in primary care experience of (O), 1068
Ethnicity
in access to coronary artery bypass surgery (O), 68
in primary care management of child behavior problems (O), 1092
in primary care of child behavior problems (E), 1089
Europe, drug prescribing quality assessment in (O), 1294
European National Health Care System, ambulatory care groups in (O), 238
Evidence-based medicine, developing guidelines for (O), 785
Exercise, continuity of care and (O), 547
Expectations, for hormone replacement therapy utility,
decision to take and (O), 270
Expert panel, in clinical practice guidelines (O), 785

## F

Facility characteristics, in hospitalization of nursing home residents (O), 228
Family characteristics, in vaccination status of children (O), 44
Family physicians, medical charges by (O), 78
Family practice, fatigue treatment in (B), 1078
Fatigue, gender differences in (B), 1078
Feeling thermometers, correspondence of with categorical rating scale (O), 671
Femoral neck fracture, hip replacement and outcome of (O), 285
Field testing, of CAHPS Medicare managed care beneficiaries survey (O), MS69
Financial performance, of strategic hospital alliances (O), 1013
Follow-up data, in predicting readmissions after CABG (O), 625
Fracture, hip, hip replacement and outcome of (O), 285
France, drug prescribing quality assessment in (O), 1294
Functional health status
in erectile dysfunction patients treated with alprostadil (O), 56
geriatric intervention and (O), 1199
in recurrence and care seeking after acute back pain (O), 157
Functional independence, videophones in (O), 117
Functional outcomes, in workers' compensation managed care
pilot project I (O), 972

## G

Gender differences
in access to coronary artery bypass surgery (O), 68
in fatigue (B), 1078
in-hospital deaths and (B), 318
in quality of care (O), D7
for congestive heart failure and pneumonia (O), 1260
in surgeon's treatment of older women with breast cancer (O), 1057
in utilization of diagnostic colonic procedures (B), 712
General Health Scale, in health status monitoring (O), 189
Generalist physicians, needs-base planning for (O), JS206
Geographic accessibility, depression treatment and (O), 884
Geographic variation, in prostate neoplasms treatments (O), 1046
Geriatric assessment, outpatient, cost-effectiveness of (O), 1199
Global Risk-Assessment Model (GRAM), sensitivity and specificity of (B), 815
Gynecologists, attitudes of toward reclassifying drugs as over-the-counter (O), 518

## H

Haloperidol, SF-36 health survey of patients treated with (O), 678
Health behaviors
among older adults (B), 615
continuity of care and (O), 547
Health beliefs, smoking patterns and among older adults (B), 615
Health care
access to. See Access
forecasting high-cost users in management of (B), 815
improving information for (E), 431
information technologies in (E), 115
mortality and skepticism toward (O), 409
population-based analysis of use patterns in (O), JS42
utilization of. See Utilization
Health care assessment

CAHPS demonstrations in (O), MS97
CAHPS questionnaire in (O), MS10
Medicare managed care beneficiaries survey in (O), MS69
Health care costs
for circulatory disease (O), 994
decision support system in cost-effectiveness research on (O), AS(VA)63
determining with costs-effectiveness analysis (O), 652
escalation of (O), MS1
with family physician versus general internist (O), 78
forecasting high-cost users and (B), 815
for HIV care (O), 748
interprovincial comparisons of (O), JS83
in Manitoba (O), JS60
measuring in multisite randomized controlled trials (O), AS(VA)27
reduction in (E), 434
in Veterans Affairs (O), AS(VA)3, AS(VA)18
methods to determine (O), AS(VA)9
versus non-VA health care (O), AS(VA)54
in workers' compensation managed care pilot project II (O), 982
Health Care Finance Administration, MedPar Part A, in measuring patient satisfaction (E), 527
Health care insurance. See Health care plan; Insurance
Health care need indicators, health care costs and (O), JS83
Health care plan
assessment of (O), MS22
CAHPS demonstrations in (O), MS97
Medicare managed care beneficiaries survey in (O), MS69
CAHPS questionnaire on (O), MS10
parent and children's experiences of (O), MS59
physician satisfaction with (O), 589
probability samples of enrollees in (O), MS50
Health care policy
communication of (O), JS279
health status and utilities in (O), 479
research in (O), JS291
Health care providers
attitudes of in adverse drug reaction reporting (B), 809
characteristics of in vaccination status of child in private practice and managed care (O), 44
impact of cost reduction strategies on (O), 556

nursing home, stability of over time (O), 570
Quality of care
accuracy of report cards on (O), 295
assessment of for Medicaid recipients (O), MS79
assessment of (O), 180
behavioral health carve-out effects on (O), 1023
with bypass surgery (E), 621
clinical practice guidelines and (O), JS254
costs of continuous improvement in (B), 1084
DNR orders and (O), 727
in drug prescribing (O), 1294
empirical assessment of (O), 798
in HMOs (E), 1183
hospital downsizing and (O), JS135
hospital readmissions and (O), 490
in-hospital treatment-related complications and (O), 140
measures of for vulnerable populations (V), 217
in nursing homes under managed care (O), 375
patient age and in HMOs (O), 1186
patient satisfaction and (O), 1207
post-discharge events in screening of (O), 384
in private sector versus VA hospitals (E), 527
by race and gender for congestive heart failure and pneumonia (O), 1260
readmissions after CABG and (O), 625

readmissions to intensive care unit as measure of (O), 399
reporting survey results on (O), MS32
research on (V), 217
risk-adjusted mortality rate and (O), 83
in VA versus public health care systems for diabetic patients (O), 538
in workers' compensation managed care pilot project I (O), 972
Quality of life
in Alzheimer's patients (O), 27
for amyotrophic lateral sclerosis patients (O), 15
clinical trial questionnaire for in diabetic patients (O), AS(Lilly)45
Duke Health Profile measures of in erectile dysfunction patients (O), 56
evaluating intra-individual changes in (O), 469
mortality and in coronary artery disease (O), 1226
multidimensional analysis of in AIDS clinical trial (O), 249
in pediatric patients (O), 126
self-reported oral health and (O), 1237
SF-36 arthritis-specific health index in measuring (O), MS40 (May)
Questionnaire
design of
cognitive testing of (O), MS10
in Spanish (O), MS89
special issues of (O), MS69
reporting needs and design of (O), MS32

## R

Race
in access to coronary artery bypass surgery (O), 68
mental health services utilization and (O), 1034
in primary care experience (O), 1068
in primary care management of child behavior problems (O), 1092
in primary care of child behavior problems (E), 1089
in quality of care for congestive heart failure and pneumonia (O), 1260
in utilization of diagnostic colonic procedures (B), 712
RAND Appropriateness Method
appropriateness and necessity criteria of and access to CABG surgery (O), 68
panel membership and feedback in results of (B), 964
Random effects model, in quality of life analysis in AIDS clinical trial (O), 249
Randomized clinical trials
in estimating causal effects of DNR orders (E), 722
measuring costs in (O), AS(VA)27
Randomized controlled trials, on panel membership and feedback effects (B), 964
RAND/UCLA panel method, for alcohol use in older persons (O), 165
Readmissions
after bypass surgery (E), 621
after CABG (O), 625
behavioral health carve-out effects on (O), 1023
with hospital downsizing (O), JS135
to intensive care unit, hospital performance and (O), 399
quality of care and (O), 490
Rectal cancer, long-term costs of (O), 1249
Regional health planning, patient preferences in (B), 204
Regional treatment variation, for prostate neoplasms (O), 1046
Regionalization, in urban and rural Manitoba (O), JS167
Regression analysis, of gender and in-hospital deaths (B), 318
Repatriating care, from urban to rural Manitoba (O), JS167
Report cards, hospital care, hospital views of (O), 295
Research
AHCRP funding of (V), 217
credibility of (O), AS(Lilly)12
by MCHPE (E), JS8
patient-centered programs for (V), 843
pharmacoeconomics and pharmaceutical outcomes (O), AS(Lilly)1
in public health policy (O), JS291
questions and audiences of (E), 329
Residential instability, medical care utilization and among poor urban mothers (O), 1282
Residents, comparison of clinical performances of (O), 773
Resource planning, for high users (O), JS206
Resource use, variation of in HIV treatment (O), 220
Rheumatoid arthritis
reliability of SF-36 Health Index for (O), MS10 (May)

SF-36 Health Index for (O), MS23 (May)
Risk adjustment
DNR orders and (O), 727
forecasting high-cost users in (B), 815
for high-cost outcomes (B), 1155
Risk behaviors, patient disclosure of (O), 104
Risk-adjusted health outcomes, physician training and (O), 93
Risk-adjusted mortality rate, as measure of hospital quality of care (O), 83
Risk-adjustment
for pediatric chronic disease (O), 874
for post-operative survival and socioeconomic status (B), 210
for prescribed drug costs (B), 824
Routine checkups, health behaviors and (O), 547
Rural health care workforce, practice guidelines implementation and (O), 259
Rural hospitals, repatriating care to (O), JS167

## S

Schizophrenia
antipsychotic and concomitant medication use patterns in (B), AS(Lilly)81
SF-36 health survey of patients with (O), 678
Screening
for high-risk populations (O), JS264
of inpatient quality using post-discharge events (O), 384
patient disclosure of sensitive health-risk behavior with (O), 104
SEER cancer registries data, in assessing breast cancer incidence (O), 445
Selective serotonin reuptake inhibitors
medication coverage decisions for (O), AS(Lilly)24
use patterns of in naturalistic setting (O), AS(Lilly)36
Self-management program
for arthritis patients (B), 957
health status and (O), 5
Self-medication, physicians' attitude toward (O), 518
Self-rated health
mortality and in coronary artery disease patients (O), 1226
oral, changing patterns of (O), 1237
scores for (O), 671
Self-reported use, accuracy of (O), 662
Severity of illness
hospital use and (O), JS151
psychiatric index of (O), 415
readmissions to intensive care unit and (O), 399
SF-36 Health Index versus clinical measures of (O), MS23 (May)
Sex differences. See Gender differences
SF-36 Arthritis-Specific Health Index
clinical trials for validity of (O), M(May)S51
development and cross-validation of (O), M(May)S40
in monitoring health outcomes of arthritis patients (O), M(May)S1
SF-36 Health Index
data quality and scaling assumptions in (O), M(May)S10
in evaluating intra-individual changes in quality of life (O), 469
for schizophrenic patients (O), 678
validity of in relation to clinical measures of severity (O), M(May)S23
SF-12 survey, health status measurements of in depressive illness (O), 479
Sickness impact profile, for amyotrophic lateral sclerosis patients (O), 15
Small area analysis, population-based data in (O), JS254
Small area utilization, racial and gender variations in (B), 712
Small area variations
in knee replacement surgery (O), 946
planning for specialist physicians in (O), JS229
Smoking
analysis of patterns of among older adults (B), 615
continuity of care and (O), 547
Social support, mortality and in coronary artery disease (O), 1226
Socio-demographics, health care utilization and (E), 3
Socioeconomic risk, physician resources and (O), JS206
Socioeconomic status
health care costs and (O), JS83
hospital downsizing and (O), JS135
in population-based data (O), JS15
in population-based health information system (O), JS27
post-operative survival and (B), 210
public prevention programs and (O), JS264
in quality of care (O), 1260
for diabetes (O), 538
Somatization, psychiatric diagnostic instrument in assessing (O), 637
Spain, adverse drug reaction reporting in (B), 809

Spanish language
CAHPS survey translated into (O), MS89
in patient education on arthritis (B), 957
Specialists
versus generalists (E), 329
issues in planning for (O), JS229
primary care in practice of (O), 333
Specialized units, organization and outcomes for (O), 760
Specialty care, patient age and in HMOs (O), 1186
Standard gamble measurement, in depressive illness (O), 479
State small group reform, assessing effects of (O), 692
Statistical model, for clinical practice guidelines (O), 785
Strategic hospital alliances (O), 1013
Stress, physician job satisfaction and (B), 1174
Stroke care
fairness and effectiveness of in HMOs (E), 1183
patient age and in HMOs (O), 1186
Subsistence needs, competing (O), 1270
Substance abuse services, utilization of among homeless (O), 306
Surgeon
gender and care of older breast cancer patients by (O), 1057
training of and patient mortality rates (O), 93
Surgery
cataract, measuring overuse of (O), 937
for knee replacement (O), 946
outcomes of
physician training (O), 93
quality of (E), 527
predicting rehospitalization after (E)(O), 621, 625
Surgical procedures
regionalization of (B), 204
waiting times for (O), JS187
Surveys
comparison of methods in (O), MS41
consumer reports on (O), MS32
design of for Medicaid care (O), MS79
respondent selection in (O), MS50
Survival
community socioeconomic status and after CABG surgery (B), 210
prognostic index of based on multiple comorbidities (O), 601

## T

Teaching hospitals
comparative study of costs in (O), JS101
impact of cost reduction strategies on staff of (O), 556
Telecare
applications of (E), 115
for elderly (O), 117
Telecommunications
in health care (E), 115
in home health care for elderly (O), 117
Telephone survey, versus mail survey results (O), MS41
Tooth disease, self-reported health and (O), 1237
Training programs, prestige of and patient mortality rate (O), 93
Travel time, intensity and quality of depression treatment and (O), 884
Treatment utility, expectation of and patient decision (O), 270
Treatment-related complications, quality of care and (O), 140
Tricyclic antidepressants, medication coverage decisions for (O), AS(Lilly)24
Trust in Physician Scale, validity and reliability testing of (O), 510
Tumor registries, in health services research (O), 1105

## U

Urban populations
residential instability and medical care utilization among poor of (O), 1282
self-reported use of health services among (O), 662
Utilities function, health status and (O), 479
Utility technique assessment, in absence of gold standard (O), 580
Utilization
for acute care (O), JS151
of ambulatory care (O), 238
among chronically ill patients (B), 1155
chronic disease self-management reducing (O), 5
costs and changes in for mental health (O), 457
of diagnostic colonic procedures by race and gender (B), 712
of emergency department by pregnant HIV-infected women (O), 1308

geographic accessibility and for depression treatment (O), 884
of high-cost medical care (B), 815
by Hispanic elderly persons (O), 362
HIV care cost analysis and (O), 748
by HIV-infected patients (E), 325
with hospital downsizing (O), JS135
of knee replacement surgery, area variation in (O), 946
marital dissolution and marital quality in (O), 858
medical charge differences in (O), 78
of mental health and substance abuse service among homeless (O), 306
of mental health services by African Americans and whites (O), 1034
physician resource planning and (O), JS206
prescription to over-the-counter medication switch and (B), 424
of prostatectomy, geographic variation in (O), 1046
residential instability and among poor urban mothers (O), 1282
self-reported (O), 662
socio-demographics and (E), 3
of specialty care, HMO membership and patient age in (O), 1186
by veterans with acute myocardial infarction (O), 529

## V

Vaccinations
in elderly with chronic disease (O), 502
parent and provider characteristics in relation to (O), 44
Veterans, Medicare services for myocardial infarction by (O), 529
Veterans Administration hospitals
health outcomes in private sector hospitals versus (E), 527
satisfaction with care for diabetic patients in (O), 538
use of for myocardial infarction (O), 529
Veterans Administration Patient Treatment File data base, in measuring patient satisfaction (E), 527
Veterans Affairs, Department of
cost analysis in (O), AS(VA)3
methods of (O), AS(VA)9
cost estimate methods in (O), AS(VA)37
decision support system in cost-effectiveness research of (O), AS(VA)63
determining costs in (O), AS(VA)18
health care costs of compared with non-VA costs (O), AS(VA)54
outcomes for posttraumatic stress disorder in (O), 180
research programs of (V), 843
Veterans Affairs Cooperative Studies Program, measuring costs in (O), AS(VA)27
Veterans Affairs medical centers, radical prostatectomy at (O), 1046
Veterans Affairs Special Program, cost accounting system in evaluating (O), AS(VA)45
Veterans Health Administration, cost system of (O), AS(VA)1
Videophones
in health care (E), 115
in home health care of elderly (O), 117
Visual analog scale preference measurement, in depressive illness (O), 479
Vitamin taking, continuity of care and (O), 547
Vulnerable populations, primary care experiences of by race and ethnic group (O), 1068

## W

Waiting lists, for surgical procedures (O), JS187
Washington state
workers' compensation managed care pilot project I in (O), 972
workers' compensation managed care pilot project II of (O), 982
Willingness-to-pay, measures of (O), AS(Lilly)32
Women
marital dissolution and marital quality effects on health service use by (O), 858
older, with early-stage breast cancer (O), 1057
residential instability and medical care utilization among (O), 1282
Workers' compensation
in managed care (E), 969
in Washington State managed care pilot project I (O), 972
in Washington State managed care pilot project II (O), 982
